#### LIABILITY DISCLAIMER

Zero Tolerance Knives are intended and sold for legitimate sporting purposes only. The purchase, use, and ownership of knives are subject to a wide variety of local laws and regulations. Certain knife styles, blade designs, and blade lengths are not allowed in specific areas. In light of recent events involving national security, knives may not be permitted in government buildings or on government property (such as court houses, federal offices, national monuments, and airports), and government officials may take the position that knives are weapons under applicable laws. Due to the complexity and constantly changing nature of these laws and regulations, it is impossible for Kai USA Ltd, dba Zero Tolerance Knives to be aware of every restriction in every location in which our knives may be sold or carried. It is the responsibility of the buyer to investigate and comply with the laws and regulations that apply in his or her specific area. You, and not Kai USA Ltd, dba Zero Tolerance Knives, are solely responsible for any claims resulting from violation of these laws and/or regulations.

#### LIMITED LIFETIME WARRANTY

Zero Tolerance products are guaranteed for the lifetime of the original owner to be free of defects when received from the factory. Any product we find to be defective in its original material, construction, or workmanship will be repaired or replaced with the same item or one of equal value at no charge. (Of course, normal wear, rust, abuse such as prying with the knife, or neglect are excluded from this non transferable warranty.) For warranty service, please return product via a carrier with tracking (such as UPS). Include your name, address, telephone number, proof of purchase (sales slip), and include a copy of the Warranty Service Form available at [www.zerotoleranceknives.com](http://www.zerotoleranceknives.com)

We reserve the right to change specifications or materials at any time without notice.

ZERO TOLERANCE KNIVES

NEW EDGES

# ZT0888

Clean. Bold. The NEW ZT0888 is big knife built in the heavy-duty Zero Tolerance tradition. This one shows off the metal—a Composite Blade of high-performance S110V and 14C28N stainless steel and a handle of solid titanium. Except for the decorative pivot, there's no visible hardware on the front side of the knife to interrupt the visual flow. To ensure the pivot aligned perfectly with the deep groove in both blade and handle, we used an eccentric (off-centered) pivot shaft. The blade opens smoothly and easily with a flipper.

For a solid grip, the 0888 offers a center-ridged handle with palm swell at the grip point. The titanium is ever so slightly textured, as is the built-in pocketclip. Visually integrated into the design, the unusual pocketclip slides left or right for the user's choice of carry options. The backspacer is engraved with the Zero Tolerance name and recessed into the handle back.

- Composite blade S110V edge, 14C28N spine
- Solid titanium handle
- Opens with flipper and KVT ball-bearing system
- Decorative pivot with eccentric shaft
- Titanium frame lock
- Stainless steel lockbar insert with integral over-travel stop
- Built-in clip slides left or right, integrates into design
- Carries tip-up, left or right

Steel: S110V/14C28N composite, satin & bead-blasted finish  
Handle: Titanium  
Blade: 3-3/4 in.  
Closed: 5-3/8 in.  
Overall: 9-1/8 in.  
Weight: 7-5/8 oz.

# ZT0600

## RJ MARTIN

Zero Tolerance is proud to bring you RJ Martin's award-winning Q36, now in B75P stainless steel, titanium, and carbon fiber. B75P is the new powder metallurgy version of the near-legendary BG42. For this new knife, we've thickened the blade stock to 3/16 in. and given it a handsome, stonewashed finish. The titanium pocketclip carries right or left and a recessed lanyard attachment point means nothing interrupts the great look of this amazing knife.

- Designed by RJ Martin
- B75P steel for excellent edge retention, toughness, wear and stain resistance
- Opens with flipper and KVT ball-bearing system
- Boldly textured, 3D machined titanium handle, carbon-fiber insert
- Titanium pocketclip, carries tip-up, left or right
- Titanium backspacer
- Titanium frame lock
- Stainless steel lockbar insert with integral over-travel stop

Steel: B75P, stonewashed finish  
Handle: 3D machined titanium, carbon-fiber insert  
Blade: 4-1/4 in.  
Closed: 5-1/4 in.  
Overall: 9-1/2 in.  
Weight: 6-7/8 oz.

# ZT0560CBCF

## HINDERER

This is the ZT/Rick Hinderer 0560 and then some. This one features a zigzag-patterned Composite Blade with a cutting edge of S110V and a spine of 14C28N. A smooth, carbon-fiber front scale and skeletonized titanium back lighten the weight of this larger knife. The titanium back is very slightly textured. The 0560CBCF features ZT's Quad-mount system and deep-carry pocketclip.

- Designed by Rick Hinderer
- Composite blade S110V edge, 14C28N spine
- Opens with flipper and KVT ball-bearing system
- 3D machined carbon-fiber front, 3D machined titanium back
- Titanium frame lock
- Oversized standoffs
- Quad-mount system, deep-carry clip

Steel: S110V/14C28N composite, stonewashed finish  
Handle: 3D machined carbon-fiber front, titanium back  
Blade: 3-3/4 in.  
Closed: 5-1/8 in.  
Overall: 8-7/8 in.  
Weight: 5-1/2 oz.
